#### **C • THREATENING FORECASTS...**

THREATENING WEATHER? TUNE INTO OUR FACEBOOK PAGE: Visit www.facebook.com/lifairs for forecast updates.

#### **D • VENDOR LAYOUT & POSITIONING**

**HOW WE GO ABOUT THIS:** LI Fairs exercises many considerations regarding vendor placement. We take steps to avoid placing vendors with identical or similar merchandise next to each other. It is a painstaking process, but we make it a part of our overall efforts to maximize the potential success for our participating vendors.

Positioning is determined based on the following:

- FIRST COME, FIRST SERVE: Applications are time-stamped based on postmarks or credit card processing dates.
- **GENERATOR USAGE:** Generator usage will impact positioning due to noise and exhaust fumes. We will position in a manner that has the least impact on other vendors and the public.
- **SUNSHINE & HEAT:** We will try our best to accommodate vendors who are impacted by sun or heat by trying to secure shaded spots or position them facing north..
- **REQUESTS:** We try our best to honor requests, but not all requests are honored.
- RETURNING VENDORS: We respect vendors who return year after year. However, spot numbers can change as event layouts are adjusted. If you wish to return to a previous year's position, please note it on your application and we will try to honor it.

#### **E • BOOTH POLICIES**

#### **■ CLEANLINESS**

#### **VENDORS MUST CLEAN UP THEIR SPACES:**

You are responsible to make sure your space is clean before departing. To assist you with this, the Chamber of Commerce is placing trash recepticles (lined boxes) throughout the fair for attendees to deposit their garbage. Please take advantage of these boxes at the end of the day to deposit any garbage you may have accumulated during your stay. DO NOT EXPLOIT THIS.

**IF YOU HAVE A LOT OF GARBAGE,** including empty boxes and more, you are expected to arrive with a garbage bag(s) for the large amount of garbage you have and take it to the designated garbage collection point (ask a yellow-vested vendor for the location). **DO NOT OVERFLOW THE BOXES.** 

#### **■ TENT WEIGHTS**

## VENDORS MUST BE EQUIPPED WITH TENT WEIGHTS IF WEATHER CONDITIONS DEMAND IT.

For the safety of you, your neighboring vendors, attendees and your merchandise, you need to have weights to hold down your tent in the event of wind.

#### ■ TASTINGS & SAMPLING

## IT'S UP TO VENDORS TO KNOW THE HEALTH DEPARTMENT RULES & GUIDELINES ON TASTING & SAMPLING

County Health Department inspectors visit every one of our fairs. If an inspector visits your booth and instructs you to put away your samples or tells you to stop selling, you will not be issued a refund. It is your business to know your business.

## ■ EARLY DEPARTURES & NO-SHOWS VENDORS ARE EXPECTED TO ATTEND THE EVENT and STAY FOR THE DURATION OF THE EVENT

The appearance of the fair impacts our event. Vacant spots are eyesores and communicate a poor image of the event to attendees. We strive for continuity of vendors booths and a feeling of completeness.

- EARLY DEPARTURES: Vendors are discouraged from departing early. Early departers must cart their materials to their parked vehicles off the fair grounds. If you still plan to depart early, you must inform organizers before the event.
- NO SHOWS: If you are not going to show up, you need to notify the organizer that you will not be attending so that we may amend the layout.

#### F • REFUND POLICY

- RAIN DATES OFFERED FOR MOST SHOWS. Rain dates are executed when weather forces cancellation of the initial show date.
- **REFUNDS...** Issued only when a vendor withdraws minimum ten (10) days before the event.
- CREDITS... Issued only when a vendor withdraws minimum 96 hours before a show.
- NO REFUNDS or CREDITS within four (4) days before show, after a show, or if a rain date is executed.
